- DVD with videos & music (*Migration Series Kit only*)

Jacob Lawrence and The Migration Series Teaching Kit

Jacob Lawrence's epic work, *The Migration Series*, is the focus of this cross-curricular Teaching Kit which includes in-depth information about Lawrence's biography and artistic process. The Kit also explores extensive historical context for teaching the Great Migration including life in the South and the Harlem Renaissance. Teachers will find multiple ways to address important issues such as migration and racism through Lawrence's visual narrative. The newest Kit includes *Teach with Jacob Lawrence* that highlights the power of teaching in museums with dynamic school and outreach initiatives designed by the Phillips.

Excellence in Published Resources, Teacher and Student Category

—American Association of Museums, 2008

"A multi-disciplinary resource that functions metaphorically as an African American 'call and response,' while addressing universal themes such as storytelling, social change, community and family."

—American Association of Museums

Luncheon of the Boating Party Teaching Kit

Pierre-Auguste Renoir's masterpiece *Luncheon of the Boating Party* comes to life in a full-color, multi-media Teaching Kit that explores French Impressionism and Renoir's process within the context of the Industrial Revolution.

"One would be hard-pressed to find a resource that provided a more in-depth means to explore and understand a famous work of art."

—American Association of Museums

Art of the City Teaching Kit

Art of the City explores urban-themed works of art from The Phillips Collection, including paintings by Edward Hopper, Jacob Lawrence, and Paul Klee. From train stations to sports stadiums, these images have been selected for accessibility to students by addressing themes such as transportation and community.

Excellence in Published Resources, Across the Curriculum Category

—American Association of Museums, 2004
