

CELEBRATE AT THE PHILLIPS COLLECTION
SPECIAL EVENTS AT AMERICA'S FIRST MUSEUM OF MODERN ART

ABOUT THE PHILLIPS COLLECTION

Encounter superb works of modern art in an intimate setting at The Phillips Collection, opened to the public in 1921 in Washington's vibrant Dupont Circle neighborhood by Duncan Phillips.

Paintings by Renoir and Rothko, Bonnard and O'Keeffe, van Gogh and Diebenkorn are among the many stunning impressionist and modern works that fill the museum. Its distinctive building combines extensive new galleries with the former home of its founder. The collection continues to develop with selective new acquisitions, many by contemporary artists. Special exhibitions and frequent changes in the arrangement of the permanent collection mean that there's something fresh on every visit to the Phillips.

Hosting an event at the Phillips is an opportunity to gain exclusive access to the intimate galleries and take an inspirational tour through an extraordinary collection.
